THE 1955

SENORACLE

Presented By
The Senior Class
of
STRASBURG HIGH SCHOOL
Strasburg, Ohio

A YEAR AT OUR SCHOOL

is made up of many things: books and classes, hours of practice and hard work, fun and festivities, disappointments and thrills, competition and clashes, triumphs and minor tragedies.

As far as possible, we have arranged this book with events and activities in chronological order; however, in some cases, organizations have been included in one seasonal division, when in reality their activities involved practically the whole year.

So, won't you turn these pages and live again with us a year at our school?

"JENNY KISSED ME"

The story concerns Jenny, a young girl who comes to stay with her aunt, the middle-aged housekeeper for a priest. The cast and committees had a lot of fun working on the play, making costumes, and collecting properties, which included two bowls of guppies and several pots of sweet potato vines.

WINTER . . .

and with it comes the ice and snow that so many wait for. It means that ice skating and sled riding are back for another season.

We remember this winter for the basketball team which had such a terrific season . . . the fun of organizing and singing in Girls' Chorus and the new Senior Choir . . . the sparkle of the Juniors' "Tinsel Twirl" . . . the days of joy when there was no school because there was too much snow for the buses to run . . . the different activities in the gym at noon . . . the very welcome Christmas vacation so soon after Thanksgiving. . . the quiet study halls when everyone is studying for the first semester exams. . .

We remember hearing the band as they practiced for their coming concert . . . and practically the whole student body as they yelled in unison at one of the pep rallies just before an exciting tournament game . . .

These things and many more make us recall this winter as a wonderful one.

SPRING . . .

and with it, green returns once more to the earth. Warm, sunshiny days find more and more students strolling arm in arm or sitting on the front steps and the lawn, idly gossiping during the noon hour . . . the Latin Class busy preparing for their annual banquet . . . the track team practicing for that big county track meet.

Jumping ropes are once more in style with the grade students and baseball games become a common sight on the football field. Gym class - ah . . . to get out of that stuffy old school for forty whole minutes . . .

Remember . . . the juniors in a frenzy with last-minute preparations for the prom . . . the annual spring dance which the seniors hope will be a great success because they need the money . . . the teachers giving more homework in order to complete the books, and students doing more day-dreaming . . . then - comes graduation!

This play, given March 15, 1955, had a cast comprised of members of the sophomore, junior, and senior classes.

Mrs. Savage, a middle-aged millionaire, had been committed to an institution by her stepchildren. The funny antics of the patients she met there and the plots her stepchildren made to obtain her money all made "The Curious Savage" an event to be long remembered, not only by the cast, but also by the entire student body.

SENIORS

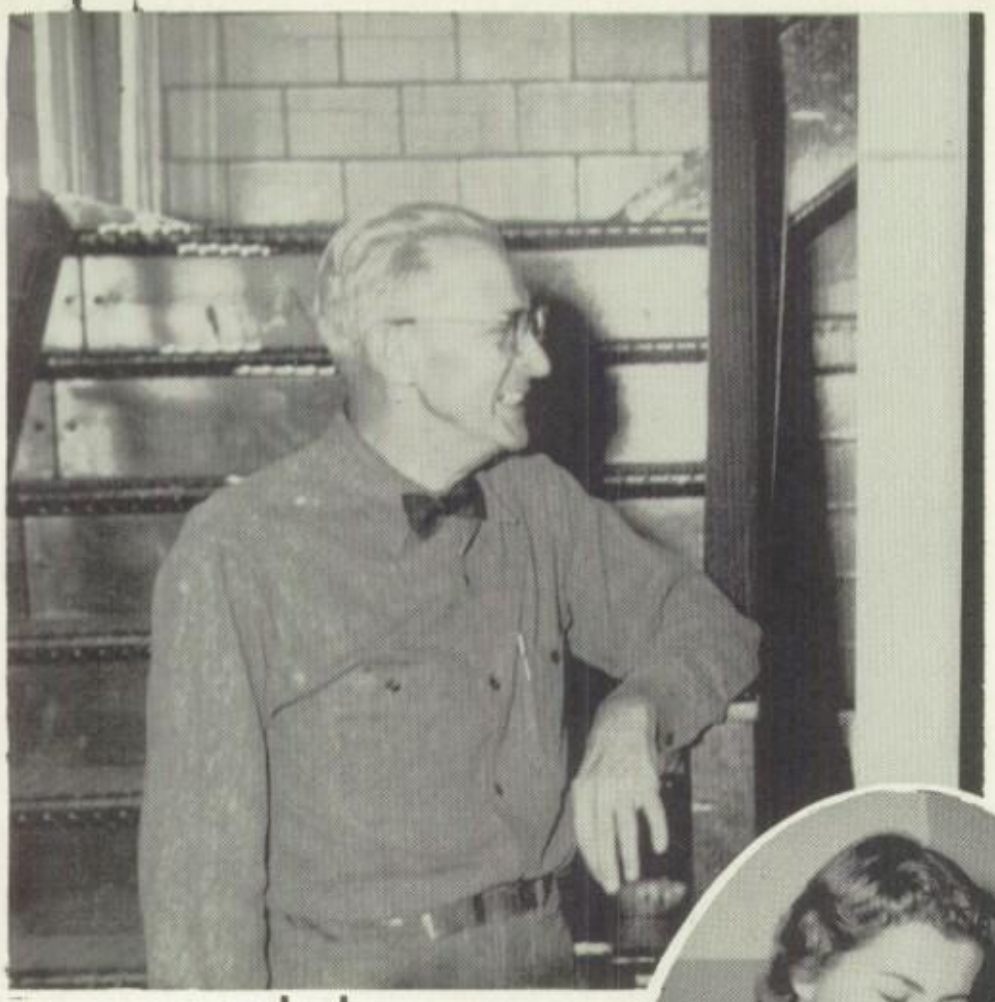
OUR THANKS TO



Our janitor, Mr. Ed Denzer.

Our former secretary,
Jeanne Cobes Wendling.

Betty Niedenthal, our present secretary.

Our bus drivers - Benny Fites, Byran Haas, and Ed Spidell.

Our cooks - Mrs. Weber, Mrs. Seese, and Mrs. Flickinger.

THOSE WHOM WE WOULD LIKE TO ACKNOWLEDGE:

The Inter-County Gazette for Homecoming shots; several students for freshman initiation pictures; teachers for their time and advice; Mr. Donald Leahy of the Inter-Collegiate Press for pictures and ideas; and the subscribers, boosters, and advertisers, without whose interest and support, this book could not have been possible. To these, and last of all, to Harmon Studio, whose cooperation and generous contributions of photography have been greatly appreciated, we would like to say,
